## Product Description

Wanbao Group Compressor Co., Ltd (formerly known as Guangzhou Refrigeration Company Ltd, hereinafter referred to as The Co.), started production in 1987, is the first manufacturer to introduce foreign technology and equipment for the large scale production of refrigerator compressor in china . In 2014, The Co. acquired overseas refrigerator compressor manufacturer-Italy ACC, and later founded Italian Wanbao-ACC Co., Ltd. This action takes Wanbao Compressor from internationalization of market to internationalization of manufacturing and lays a solid foundation for the internationalization of the brand to walk.

The company has four production bases in Guangzhou, Qingdao, Hefei and Italy, with an annual production capacity of 26 million units, thus forging a strategic global structure covering both domestic and overseas major customers. Wanbao China mainly supplies domestic large refrigerator manufacturers including Haier, Hisense, Midea, Meiling, etc., as well as international famous home appliance manufacturers including Electrolux Whirlpool, etc. as a global supplier. Wanbao-ACC Italy is a major supplier to European premium brand home appliance manufacturers.

Model	Refrigerant	Tension	Cooling capacity (w)	Application	COP(w/w)
AS43	R134a	220V/50Hz	84	PSL	0,94
